OKAY
READY
OR NOT

Ready or no, here I poem,
I'm gunna f. it, and make it horny.

One kinky thing I have never
done, nor will, is eat while
going to the bathroom

baggy pants, deep pockets,
'not.

When one ponders the globe
you may or may not notice
its ~~stuff~~ good to spin it.

if god started to flirt with you
would you

to me B.J. stands for
BEAN JAVA.

Though I've never seen one
I'm sure I could spot a pirate.

Slippery when read:

Eating B.B.Q.

A 3 way with just me and you

Egyptians thought the mouth
to be the ~~sexiest~~ sexiest

Falling leaves, blowing wind
blown mind

Zen multimedia can be seen
Not heard.

...and my final poem for da night.....

Marque biz, soft drink fizz
softly come yonder
the globe I do ponder

yah
that went
well
